

Made in our nut-free, egg-free, dairy-free bakery

I would love it if
you would carry
the following
Divvies treats in
your store:

- ☐ Cookies
☐ BingGo Gourmet Chocolate Bars
☐ Gourmet Popcorns
☐ Candy

MARTHA STEWART baked Divvies cupcakes
on her show...

and the Supermarket Guru, Phil Lempert, rates
Divvies cookies a "hit".

Special Remarks

**Divvies are so delicious
that with or without food
allergies everyone wants
to share.**

Divvies uses gourmet ingredients
and crowd-pleasing recipes to
make their treats. And that's
important, because people with
food allergies usually find
themselves not only unable to eat
what everyone else is eating, but
eating things that don't taste that
good. So, you can imagine how
exciting it is to go into a store like
yours and find sweet treats that
are safe to eat, especially ones
that are Divvie-delicious!
